

Who Lives Where?

You need ✓ a ruler

✓ a scale map of your area

✓ string

CLUE:
Paora lives

Activity

1. Use the clues to work out which house (A, B, C, D, E, F, G, or H) Sam and his friends each live in.
2. How far does Lachlan have to walk to get to Paora's house? (Use the scale on the map to work this out.)
3. Who out of Mae Ling, Miriama, Sam, or Paora travels the shortest distance to school?
4. Using the scale map of your area:
 - a. Find your house and the houses of three of your friends.
 - b. Find the shortest route from your house to each of your friends' houses.

CLUE:

Lisa lives north-east of Miriama.

es due south of Mae Ling.

CLUE:
Joe and Paora live in the same block.

CLUE:
