

# The Big Picture

**You need** ✓ square grid paper

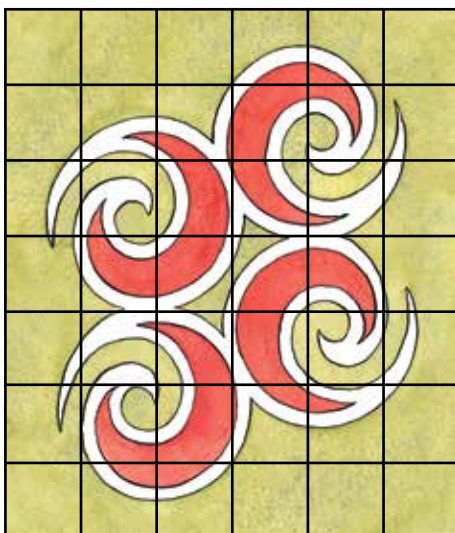

✓ felt-tip pens or coloured pencils

## Activity

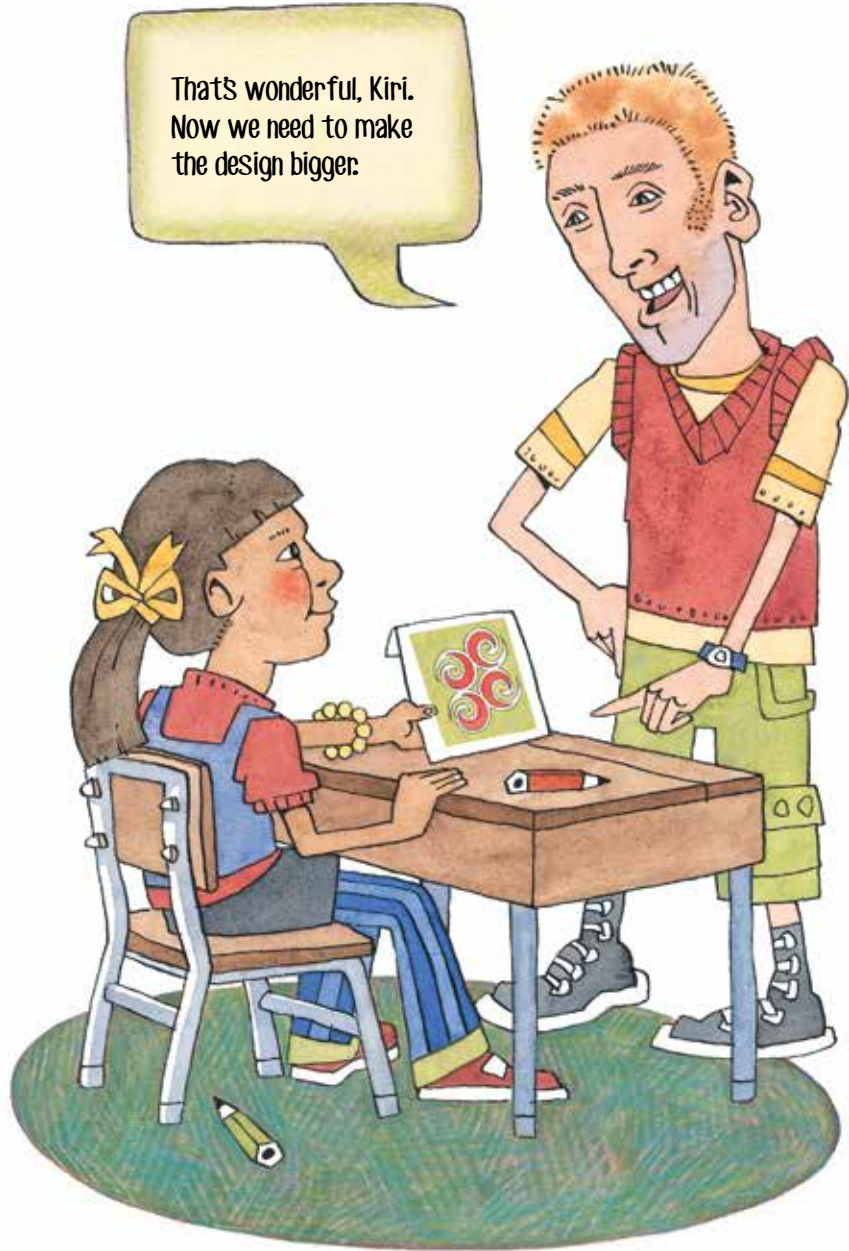

Kiri drew this design as a backdrop for her school's cultural festival:

Kiri drew a grid over her design, like this:

That's wonderful, Kiri. Now we need to make the design bigger.

1. Draw a copy of Kiri's design on square grid paper. Make your copy twice as long and twice as wide as Kiri's design.
2. Make a design of your own and use a grid like Kiri did to enlarge it into a poster to go on the wall in your classroom.
