

Largest Lasagne

The World's largest lasagne was made in 2012 at a restaurant in Wieliczka, Poland. It weighed 4865kg and measured 25m x 2.5 m.

The ingredients were:

- 2500kg of pasta
- 800kg of mince
- 400kg of mozzarella cheese
- 100kg of peas
- 100kg of carrots
- Equal amounts of white sauce and tomato sauce

1. How much did the white sauce and tomato sauce weigh?
2. What would be the size of a 500g piece from the lasagne?
3. How many people could be fed with the whole lasagne?
