

## Mixing Paint and Other Problems: 5

A measuring stick is 100 cm long. Another stick is of varying length.

Complete the following table.

Length of measuring stick	Length of other stick	Ratio of measuring stick to other stick
100	50	
	25	
	40	
		5:1
		4:1
		20:1
	200	
	250	
	420	
		1:2
		2:3
		3:4
