

The order of operations: Order the actions

1. Print onto card.
2. Cut up and mix up the order.
3. Distribute to students.

Insert keys in the ignition.	Place the balls on a baking tray and flatten them with a fork.
Turn on the ignition to start the engine.	Bake at 175°C.
Put the car into reverse gear.	Open the packet of carrot seeds.
Reverse out of the garage on the street.	Lightly sprinkle the seeds into a one centimetre deep trough in the soil.
Change to first gear and begin to drive down the street.	Cover the seeds with fine soil.
Read biscuit recipe and get out the ingredients.	Keep the seeds watered.
Mix the ingredients in a bowl.	Harvest the carrots when they have grown to the desired size.
Roll the baking mixture into balls.	Get out of bed.

The order of operations: Order the actions
