

1. Here are two pancakes (give cut out versions of A and B from the last page of this copymaster).

Which pancake is the biggest?

Which pancake would take the most bites to eat?

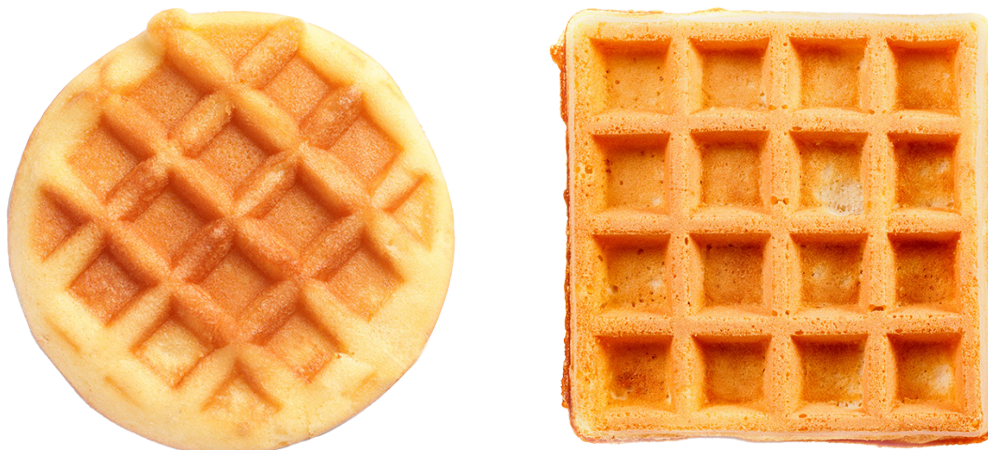

2. Here are three more pancakes (give cut out versions of C, D, and E from the last page of this copymaster to add to A and B).

Please put the pancakes in order from smallest to biggest.

3. Each pancake has one bite taken out of it. The bites are the same size. Which pancake is the biggest?

3. Which waffle is the biggest, the circle or the square?  
Explain how you know using the markings.

5. What is the area of each waffle in square centimetres?
