

## Place Value Thousands

### Purpose:

You can help your child read and order 4 digit numbers.

### What you need:

- A pack of cards with the picture cards removed (aces count as one).
- A sheet of paper for each player with 3 columns headed hundreds, tens, and ones. The columns need to be big enough to place a playing card in each space.

Thousands	Hundreds	Tens	Ones

### What to do:

The object of the game is to make the biggest number with 4 cards that have been randomly turned over.

- The cards are placed in a pile, face down in the middle of the table.
- Players take turns to pick one card from the top of the pack, turn it over, and place it in either the thousands, hundreds, tens or ones column. Once a card is placed onto the paper its position cannot be changed.
- Once each player has their four columns filled, players read their numbers and the player with the largest number wins.

### What to expect your child to do:

- Be able to tell you what each digit within a number represents. For example, in the number 4 572, the 7 tells you how many tens are in the number and the 2 tells you how many ones are in the number.
- Be able to read 4 digit numbers accurately.
- Be able to place 4 digit numbers in order, from smallest to largest and vice versa.

### He Whakawhitinga Kōrero:

- Whakatakotoria te pūkei kāri, ko ngā mata ki raro. (*Place the cards in a pile, face down.*)
- Kei a koe i te tuatahi. Tangohia te kāri o runga, ka huripoki ai. Whakatakotoria ki te wāhi o ngā mano, o ngā rau, o ngā tekau, o ngā tahi rānei. (*You go first. Take the card on top of the pile and turn it over. Place it in the thousands, the hundreds, the tens or the ones place.*)
- Kei a au ināianei. (*My turn now.*)
- Kia oti i a tāua ētahi kāri e whā te whakatakoto, tētahi ki ngā mano, tētahi ki ngā rau, tētahi ki ngā tekau, tētahi ki ngā tahi, ka pānui tāua i ā tāua tau. (*When we have both placed three cards down, one in the hundreds column, one in the tens, one in the ones, we read our numbers.*)
- Kei a wai te tau nui rawa atu? Kei reira e kare! Ko koe te toa! (*Whose got the highest number? You're the one! You're the winner!*)
- Pānuihia mai tō tau. (*Read me your number.*)
- E tohu ana te whitu i te aha? E tohu ana te whitu i te whitu tekau. (*What does the 7 represent? The 7 represents 70.*)

Mano	Rau	Tekau	Tahi
