

Money

Disappearing Dollars

Bills

Activity

You need toy money

1. Stacey is looking at her money and her bicycle repair bill.

How much will Stacey have left after she pays her bill?

2. Anthony has this money and these bills:
- How much money will Anthony have left after he pays his bills?
 - What would happen if his mother let him keep the \$20 he owes her?

3. Is each person below able to pay all their bills? Explain your answers.

	Money	Bills
a. Frank	\$10 \$5 \$2 \$2	Stamp pen: \$8; sports club: \$10
b. Sally	\$10 \$10 \$5	Video: \$6; record shop: \$15
c. Georgia	\$20 \$20	Skateboard repair: \$45
d. Charlotte	\$10 \$5 \$5 \$2	Party food: \$23; pet shop: \$8
