

Speed Read

You need a calculator (optional)

Activity

Jack has the new Freddy Ferkins and the Pyramid of Power book. It is 630 pages long. He finds that he can read about 30 pages an hour.

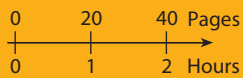

This will take ages to read ... Cool!

Jack asks his friends to find out how fast they can read.

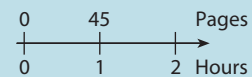

Atama

I can read 20 pages every hour.

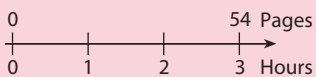

Mikey

I read 45 pages per hour.

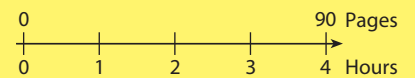

Charlotte

It took me 3 hours to read 54 pages.

Miranda

In 4 hours, I read 90 pages.

1. How long will it take Jack and each of his friends to read *The Pyramid of Powers*?
2. Jack, Atama, and Mikey start reading at the same time.
 - a. What pages will Atama and Mikey be on when Jack is on page 90?
 - b. What pages will the others be on when Mikey is on page 180?
