

Books vs bean bags: Part 2

Some students investigate the question 'What is the school library being used for?'

They create following questionnaire.
The table shows the responses to each question.

Display the data in such a way that it will help the class to answer their question.

Room 6B Library Survey

Our Investigation: What are school libraries used for?

1	What is the main thing you do in library time?	Y5/6:	Teachers:
