

24 hour Bingo

This Bingo activity is for practicing conversion between 12 and 24 hour time and vice versa.

- Students draw a 3 by 3 grid in their books.
- Teacher displays one of the tables of 20 times on the OHT.
Either display the 24 hour times for practicing changing 12 hour times to 24 hour times or display the 12 hour times for practicing changing 24 hour times to 12 hour times.
- Students choose 9 times from the table and write them in their grid.
- Teacher or caller calls out times in random order from the table that the students haven't seen.
- Students call bingo when they mark off a line of three times in their grid.
