

Cantitowers

You need: 5 eight-stud plastic blocks, square dot paper

ACTIVITY

- Ainslie is making 2-D drawings of some plastic block models. Using her drawings, make each of her models with 5 blocks. Check that your models are correct by comparing them with all four views:

- Use the 5 blocks to make three of your own models. Draw the four views on square dot paper, then give the drawings to a classmate and see if they can make the models.
- Here's a challenge. The drawings of these 5-block models don't show all the join lines. See if you can make the models:
