

Container Contents

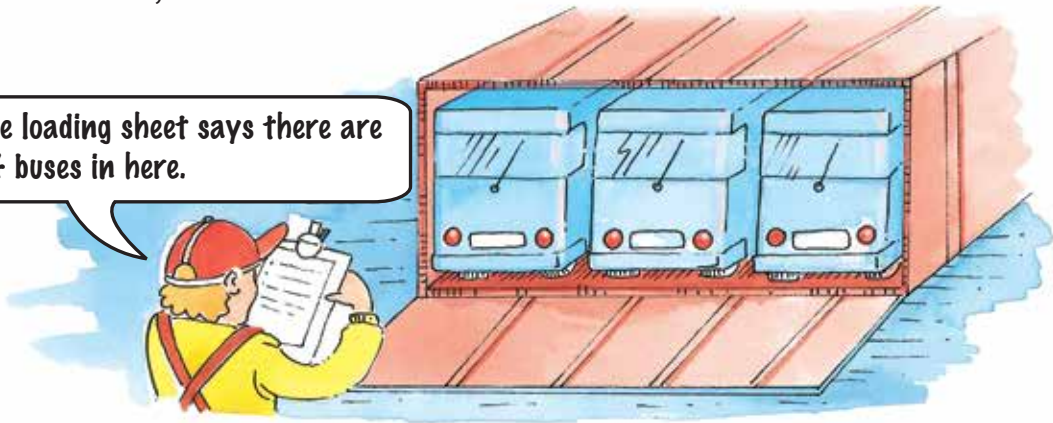

ACTIVITY

You need: square tiles or cubes (optional)

Abel works on the wharf checking vehicles that come from overseas. The vehicles come in big containers.

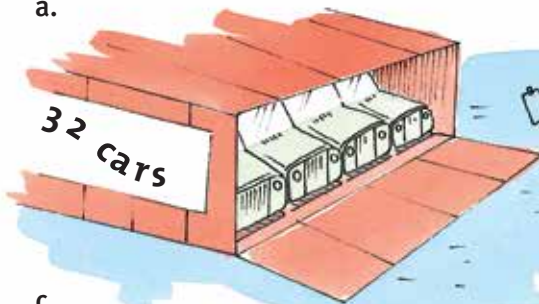

1. How many rows of buses are in the container?

The loading sheet says there are 24 buses in here.

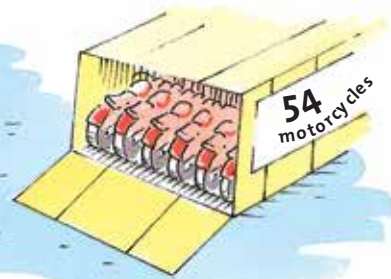

2. Here are some other containers. How many rows of vehicles are in each container?

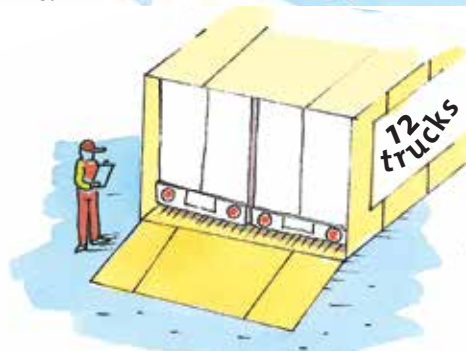

a.

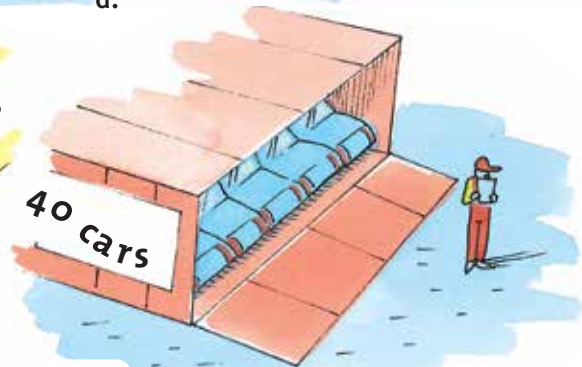

b.

c.

d.

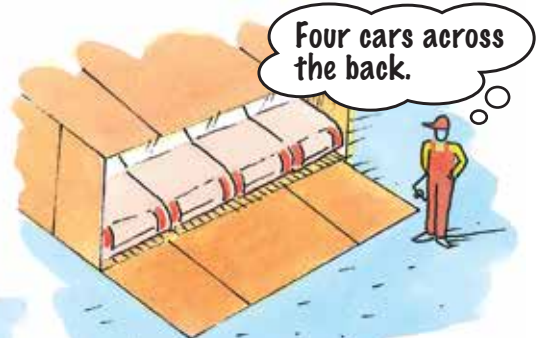

3. This container has both cars and vans in it. Abel checks the front door ...

and then the back door.

Three vans across the front.

Four cars across the back.

There are six rows of vehicles in the container. How many cars and vans might be in it?
