

Getting There

Activity

To get to Mārama Island, the group of 30 students and six adults will need to take a bus trip and a boat ride.

Which bus and boat should they use to get there and back as cheaply as possible? (Each of the buses and boats below holds at least 36 passengers.)

Bonny's Buses
\$2 per kilometre

Saltwater Charter Boats
\$65 per hour

Cat Cat Tours
\$5 per person (one return trip)

KIMBELL MOTORS
\$50, plus \$3 per person (one way)
