

Hydroslides

Activity

The Fairfield Wave Pool has 3 hydroslides.

1. How many times as long as the Speeder is the Twister?
2.
 - a. The Ultimate is 3 times as long as the Speeder. How long is the Ultimate?
 - b. The cleaner stopped for a break halfway down the Ultimate. How far did she have to go to get out of the slide?
3. If it takes 2 minutes to go down the Twister, how long will it take to go down the Speeder and the Ultimate if you travel at the same speed?
4. For \$5, you get 20 minutes, counting from the start of your first slide. It usually takes 2 minutes to run back up the stairs each time to start your next slide. Which slides would you do if you had 20 minutes?
