

# Matching Times

There are 10 sets of cards. These cards describe time in three forms; as

- A sentence
- 12 hour
- 24 hour

The times used are straightforward and this activity is intended to reinforce students ability to recognise that time can be written in various representations.

The activity can be copied on to light card and laminated before cutting out the 30 pieces.

The “Matching Times” cards can be used for a group cooperative activity such as Fish, Memory or Families.
