

For each problem, work out the answer using people materials if you need.
Explain how you worked out your answer.

1. Make 184 then add 20

2. Make 309 then add 4

3. Make 470 then add 30

4. Make 602 then add 9

5. Make 588 then add 12

6. Make 299 then add 5

7. Make 186 then add 30

8. Make 999 then add 6

9. Make up three tricky 'add on' problems for someone else
